

DEPARTMENT OF THE AIR FORCE  
1ST SPECIAL OPERATIONS WING (AFSOC)  
HURLBURT FIELD FLORIDA

JUL 08 2014

MEMORANDUM FOR DISTRIBUTION A

FROM: 1 SOW/CV

SUBJECT: Declaration of Environmental Management System (EMS) Conformance

1. Air Force Instruction 32-7001, *Environmental Management*, requires installations to declare conformance to EMS guidance documents, including ISO 14001:2004(E) and HQ USAF requirements. Declaration of EMS conformance is required every three years, after an external assessment is conducted and major non-conformances are corrected.
2. Hurlburt Field had an external assessment, in the form of a Consolidated Unit Inspection the week of 4 March 2013. There were no major non-conformances to correct, and the Hurlburt Field EMS is currently in conformance and considered fully implemented.
3. POC for questions is the Hurlburt Field EMS Coordinator, Mr. John Turner, 884-2396 or email [john.turner@hurlburt.af.mil](mailto:john.turner@hurlburt.af.mil).
4. I declare Hurlburt Field to be in conformance with all EMS requirements.

A handwritten signature in blue ink, appearing to read "D. Purdy, Jr.", written in a cursive style.

DONALD D. PURDY, JR., Lt Col, USAF  
Vice Commander
