Tropical Cyclone Frequency

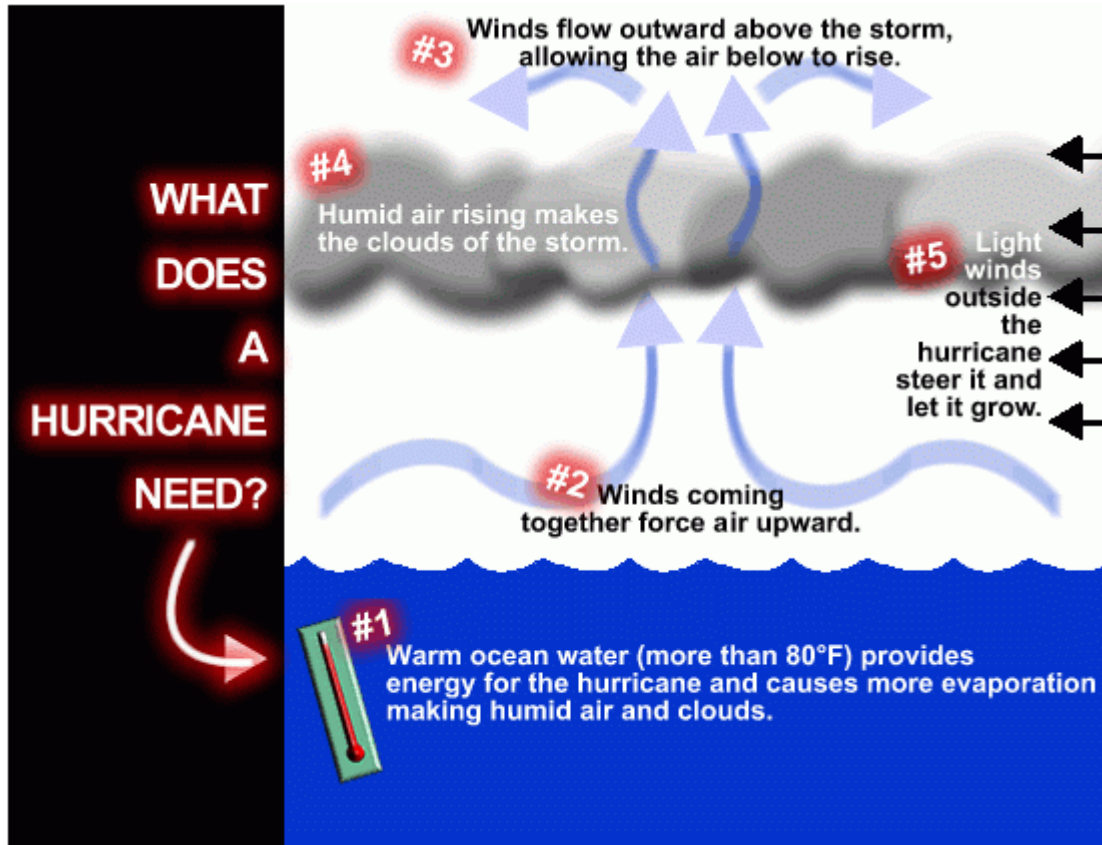

Historic Tropical Cyclone Frequency

- Each year, an average of 10 tropical systems develop over the Atlantic Ocean, Caribbean, and Gulf of Mexico.
- Roughly 6 of those storms intensify to become hurricanes each year.
- Around 5 hurricanes (2 being major hurricanes) strike the United States coastline over a 3 year period.

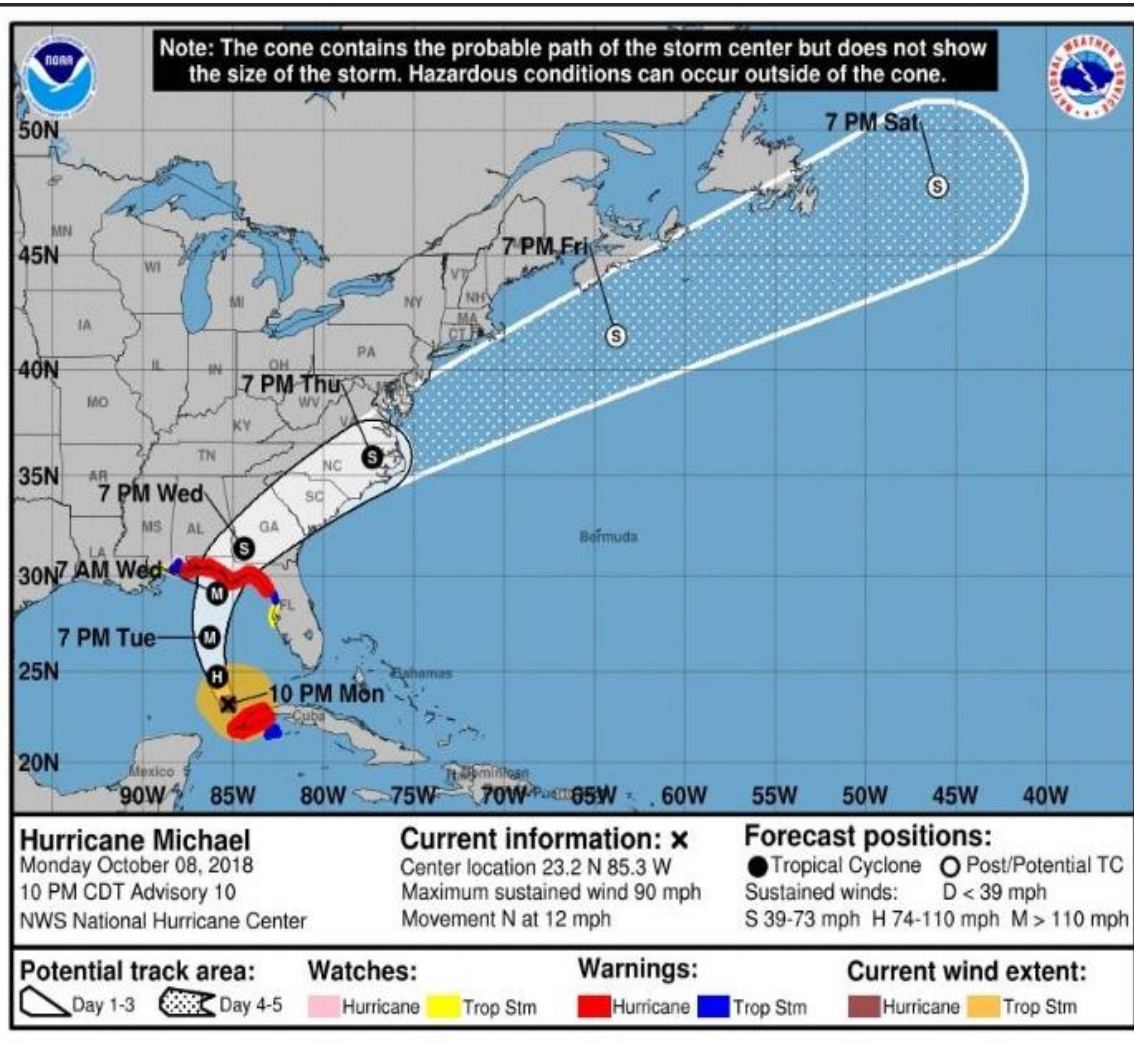

Hurricane Formation

- Many hurricanes begin as a wave of thunderstorms moving westward across Africa.
- Storms are generally 300 miles wide but can be up to 1000 miles.
- A typical eye wall ranges from 20-30 miles across.

Hurricane Forecasting

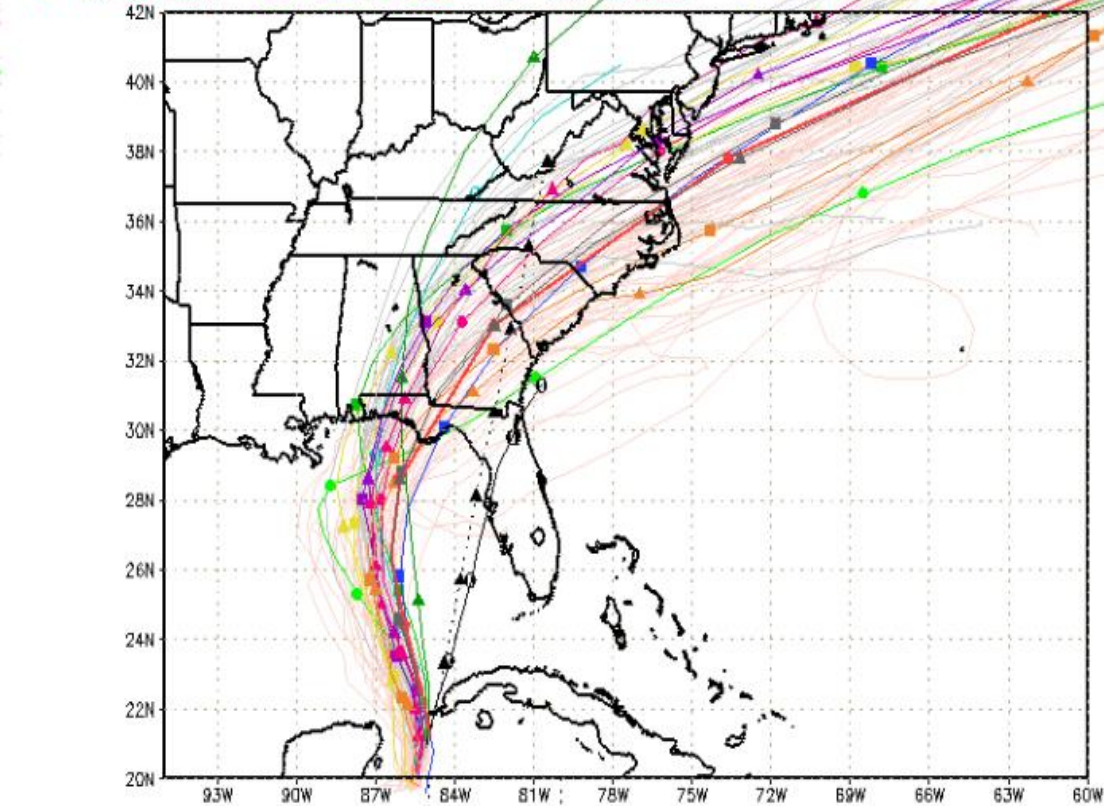

- National Hurricane Center's forecast cone show's possible storm center path.
- Rain bands can cause localized heavy rains/flooding as well as tornadic activity.
- Right side with respect to movement is generally the area of worst weather.

Forecast Challenges

Legend for forecast models:
XTRP 08/1200Z, TVCN 08/1200Z, TVCX 08/1200Z, NHC 08/1500Z, CLP5 08/1200Z, TABD 08/1200Z, TABM 08/1200Z, TABS 08/1200Z, HMGN 08/0600Z, HWRF 08/0600Z, UKM 08/0000Z, COTC 08/0600Z, AVNO 08/0600Z, AEMN 08/0600Z, APxx 08/0600Z, CMC 08/0000Z, ECMF 08/0000Z, EEMN 08/0000Z, EExx 08/0000Z, GEMN 08/0000Z

Spaghetti Models

- These visualize many different computer simulations for each of the various tropical forecast models.
- Forecasts will become more precise as the storm matures and nears landfall.

U.S. AIR FORCE

Q&A – Residents Residing in Hurlburt Housing

Q: Who will notify the residents if Hurlburt has a mandatory evacuation?

A: Residents will be notified through Hurlburt Leadership.

Q: Do I need to purchase Renters Insurance?

A: Absolutely! Renters Insurance is an extremely valuable asset to have. Corvias has insurance coverage for the homes themselves but does not cover the content inside the home. We recommend calling different companies to compare rates. Please be advised that once an imminent threat has been issued for your area, insurance companies can no longer update or issue insurance policies. This goes for renters, auto and homeowners insurance.

U.S. AIR FORCE

Q&A – Residents Residing in Hurlburt Housing Continued

Q: Where can I put my pets if I can't take them with me?

A: If you are unable to take your pet(s) with you during an evacuation, do not leave them at home, but rather find a safe place for them such as a boarding facility or vet clinic. Many hotels in the area will accept pets during special circumstances. We suggest calling around and making a list for future reference. Check out www.petswelcome.com.

Q: Will I still be paying BAH if my home becomes uninhabitable?

A: No. If your home becomes uninhabitable, we will not receive BAH.

U.S. AIR FORCE

Q&A – Residents Residing in Hurlburt Housing Continued

Q: What are steps I need to take to protect my belongings?

A: All outside items should be secured so they do not fly around. We recommend all large items such as trampolines, picnic tables, etc. be turned over and secured and smaller items placed in outside storage or inside the home.

Q: My spouse is deployed and I cannot move any belongings myself. What do I do?

A: If unable to properly secure outdoor items, you should work thorough the service members First Sergeant to make arrangements for assistance. While our maintenance team will make themselves available to help to the greatest extent possible, their availability will be limited as they prepare the neighborhood during an actual event.

About This Survey

Please review each of the 19 categories in the survey and check whether you have disaster-related needs. In each area of need that you answer "Need Assistance" or "Not Sure", you will then be shown a more detailed checklist to identify your specific needs. It is important that you specify your needs honestly and as accurately as possible. Assistance will be provided as quickly as possible based on the severity and type of needs you identify.

1. [Who is eligible for Air Force Family Disaster Assistance?](#)
2. [Why should I complete this survey?](#)
3. [What happens after I complete the survey?](#)
4. [How and when will I be contacted?](#)
5. [Who will have access to my information?](#)

I have needs and I would like to fill out the survey.

I prefer to skip the survey.

Q1: Who is eligible for Air Force Family Disaster Assistance?

- Air Force Service Members (Active and Reserve)
- Air Force Civilian Employees (both civil service and non-appropriated Funds (NAF))
- Eligible family members of service members and employees

At the Air Force's direction, the Air Force Family may also include other personnel such as other service members assigned to Air Force commands, tenants on Air Force installations, Air Force retirees and their families, and members of the individual ready reserve (IRR) and their families. In the case of deceased, injured or missing Air Force service members or civilians, the definition may also include certain extended family members (parents, parents-in-law, guardians, brothers, sisters, brothers-in-law, sisters-in-law).

Q2: Why should I complete this survey?

This is a voluntary survey to identify the needs of the Air Force Family following a natural or man-made disaster. Your answers will help service providers to assess how best to address your disaster-related needs, activate resources to meet those needs, and set a course for recovering from the disaster as soon as possible.

[^ top of page](#)

Q3: What happens after I complete the survey?

If you identify disaster-related needs, a case manager from the Air Force Airman and Family Readiness Center will be assigned to contact you and assist with your needs - from immediate help to less urgent referrals and information. You are encouraged to provide an honest appraisal of your needs to enable service providers the best opportunity to provide assistance and offer referrals to other agencies such as the American Red Cross or FEMA.

[^ top of page](#)

Q4: How and when will I be contacted?

Case managers or other Air Force support professionals will call or email you as soon as possible based on the severity of the needs you identify. It is important that you update your contact information whenever there is a change in circumstances; including phone numbers where you can be reached, email address, temporary address, etc.

[^ top of page](#)

Q5: Who will have access to my information?

Information you provide will be available to a team of Air Force professionals and subject matter experts engaged in the disaster-relief effort (for example, Airman and Family Readiness Center case managers, Air Force chaplains, Air Force Legal Service providers, Air Force medical personnel, etc.).

Details of your individual survey responses will NOT be provided to your chain of command or anyone outside the team of disaster-relief service providers without your approval and will NOT be included in official personnel records. Commands will only receive general needs data in the aggregate (for example, 325 personnel need temporary housing) to ensure that resources and policies are in place to support Air Force Family needs.
