- Hurricane Sally Damages/Questions
Each year, an average of 10 tropical systems develop over the Atlantic Ocean, Caribbean, and Gulf of Mexico.

Roughly 6 of those storms intensify to become hurricanes each year.

Around 5 hurricanes (2 being major hurricanes) strike the United States coastline over a 3 year period.
Many hurricanes begin as a wave of thunderstorms moving westward across Africa.

Storms are generally 300 miles wide but can be up to 1000 miles.

A typical eye wall ranges from 20-30 miles across.
National Hurricane Center’s forecast cone shows possible storm center path.

Rain bands can cause localized heavy rains/flooding as well as tornadic activity.

Right side with respect to movement is generally the area of worst weather.
Spaghetti Models

- These visualize many different computer simulations for each of the various tropical forecast models.
- Forecasts will become more precise as the storm matures and nears landfall.
Weather Sources

- 1 SOW Commander has the most specific and up-to-date forecast for Hurlburt Field.

- Local Weather Stations show impacts to the surrounding areas.

- National Weather Stations show much broader scale forecasts but tend to focus on the areas that are anticipating the worst damage.

- Do not fear Jim Cantore!!!

<thead>
<tr>
<th>Category</th>
<th>Sustained Winds</th>
<th>Types of Damage Due to Hurricane Winds</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>64-82 kt (74-95 mph)</td>
<td>Very dangerous winds will produce some damage: Roof damage, large tree branches snapped, shallow rooted trees toppled, power outages</td>
</tr>
<tr>
<td>2</td>
<td>83-95 kt (96-110 mph)</td>
<td>Extremely dangerous winds will cause extensive damage: Roof and siding damage, toppled trees, large near-total power loss is expected for several days to weeks</td>
</tr>
<tr>
<td>3 (Major)</td>
<td>96-112 kt (111-129 mph)</td>
<td>Devastating damage will occur: Major damage to homes, trees, and electricity and water may be unavailable for several days to weeks after the storm passes</td>
</tr>
<tr>
<td>4 (Major)</td>
<td>113-136 kt (130-156 mph)</td>
<td>Catastrophic damage will occur: Severe damage to homes, power outages will last weeks to months, most of the area will be uninhabitable for weeks or months</td>
</tr>
<tr>
<td>5 (Major)</td>
<td>≥ 137kt (≥ 157mph)</td>
<td>Catastrophic damage will occur: High percentage of homes will be destroyed, power outages will last for weeks to possibly months, most of the area will be uninhabitable for weeks or months.</td>
</tr>
</tbody>
</table>
Hurricane Conditions (HURCON)

- **HURCON 5**
  - 96 Hours from onset of 50kt winds

- **HURCON 4**
  - 72 Hours from onset of 50kt winds

- **HURCON 3**
  - 48 Hours from onset of 50kt winds

- **HURCON 2**
  - 24 Hours from onset of 50kt winds

- **HURCON 1**
  - 12 Hours from onset of 50kt winds

- **HURCON 1E**
  - 50kt winds are occurring, hazards may be present

- **HURCON 1R**
  - Storm has passed but hazards may persist. Only emergency responders & damage assessment personnel are released for movement
Storm Surge: an abnormal rise of water generated by a storm, over and above the predicted astronomical tides

Storm Tide: the water level rise due to the combination of storm surge and the astronomical tide. This rise in water level can cause extreme flooding in coastal areas particularly when storm surge coincides with normal high tide, resulting in storm tides reaching up to 20 feet or more in some cases.
Storm Surge Affecting HFLD

Any Time…Any Place
Hazards Associated with Hurricanes
Mandatory Evacuation History

- Hurricane Michael (Tyndall)
  Landfall Oct 10, 2018
  - Oct 8 – Aircraft evacuated
  - Oct 9 – Mandatory evacuation for base personnel and family members
  - Base destroyed

- Hurricane Dennis
  Landfall July 10, 2005
  - July 8 - Aircraft evacuated
  - July 9 - Mandatory evacuation for base personnel and family members
  - July 12 - All aircraft returned
  - July 12 - Mandatory evacuation status terminated

- Hurricane Ivan
  Landfall Sep 16, 2004
  - Sept 13 - Aircraft evacuated
  - Sep 14 - Mandatory evacuation for base personnel and family members
  - Sep 19 - All aircraft returned
  - Sep 21 - Mandatory evacuation status terminated
  - Sep 22 - All personnel report for normal duty
Individual Military Actions

- Comply with mandatory evacuation orders
  - Mandatory means mandatory
  - Adhere to specified radius
  - Notify unit of evacuation location
- Notify family members if you are appointed to the Hurricane Ride-out Team or Aircraft Evacuation Team
  - Family members may be required to evacuate without you
- Do not return until recalled
Family Actions

- **PLAN AHEAD**
  - Create Family Care Plans – see your First Sergeant for help with family care plans (*mil to mil/single mil members*)
  - Have a 72 hour “go-bag” that is ready for evacuation, tailored to your family’s needs
  - Sign up for your county’s alert notification system and ‘Know your Zone’
    - Okaloosa: [http://www.co.okaloosa.fl.us/ps/emergency-management](http://www.co.okaloosa.fl.us/ps/emergency-management)

- **POV:** Keep a full tank of gas in it if an evacuation seems likely
  - Gas stations may be closed during emergencies; unlikely to pump gas during power outages
  - Plan to take one car per family to reduce congestion and delays
During Evacuation

- Plan for severe traffic congestion; leave early enough
- Know safe haven locations
- Know where you are going and how you are getting there, be alert for road hazards such as washed out roads or bridges and downed power lines
- DO NOT DRIVE INTO FLOODED AREAS
- Follow recommended evacuation routes, do not take short cuts; they may be blocked

- Do not leave your pets behind

After Evacuation

- Check with local officials where you’re staying and back home before you travel; returning home before storm debris is cleared is dangerous
- Residents returning should expect and prepare for disruptions to daily activities
- Charge devices and consider getting back-up batteries in case power-outages continue
- Fill up your gas tank and consider downloading a fuel app to check for outages along your route (gas buddy, waze, etc.)
Build a disaster supply kit

Plan for 3 to 7 days
- Non-perishable food
- Water (one gallon per person per day minimum)
- First-aid supplies and any prescription medication
- Portable radio with spare batteries
- Toiletries/hygiene items
- Flashlight with spare batteries
- Money (Cash)
- Important documents
- If you have children or pets make sure to have all necessary items for them as well (bottles, diapers/wipes, etc.)

ENSURE YOUR VEHICLE IS FUELED AND SERVICEABLE!!!
Shelters and Resources

- **Sheltering**
  - You can find shelter locations on the Okaloosa, Santa Rosa, and Escambia websites
  - Local radio stations
  - Pet Friendly Hotels and Motels: [www.petswelcome.com](http://www.petswelcome.com)

- **Accountability**
  - Ensure you report accountability in AFPAAS when you arrive at your safe haven location

- [www.ready.gov](http://www.ready.gov)
- [www.beready.af.mil](http://www.beready.af.mil)
- [www.nhc.noaa.gov](http://www.nhc.noaa.gov)
- [www.floridahurricane.net](http://www.floridahurricane.net)
- [https://community.fema.gov](https://community.fema.gov)
Questions?

For more information, contact the office of Emergency Management at 884-2560/4304
Office of the Staff Judge Advocate
1st Special Operations Wing
Natural Disaster Claims Processing

- People living in base housing can file with the Air Force Claims Service Center
  - [https://claims.jag.af.mil/](https://claims.jag.af.mil/)
- File with renters, homeowners, or vehicle insurance first
- May file for deductible- but no guarantee of reimbursement
What is Covered?

- Personal property including food spoilage, vehicle damage; standard depreciation is applied; payment limitations on certain items
- Claimants must first file with private insurer unless damage is less than deductible
- Claimant must itemize/breakdown food loss
- Partial payments may be authorized
- Request funding as required
Pre-disaster Preparation Tips

- Power outages: Set refrigerators on highest setting
- Floods: Avoid parking or driving in low-lying areas and elevate items from floor in residence
- Shelters: open to off base personnel, but primarily for on-base; damages are not incident to service unless they were ordered there
Questions for Legal?
Finance
Overview

- Evacuation Types
- Evacuation Order
- Evacuation Entitlements
- TDY Orders
Evacuation Types

- Wing Commander gives the order to evacuate

- Voluntary Evacuation
  - Release non-mission critical personnel
  - Liberal leave for civilians
  - No reimbursement

- Recommended Evacuation
  - Release non-mission critical personnel
  - Administrative leave for civilians (Non-Chargeable)
  - No reimbursement
Evacuation Order

- Mandatory Evacuation (can be limited)
  - Mission critical personnel in duty status during evacuation
  - Non-mission critical personnel administrative leave (DoD Civilian/NAF)
  - Some costs reimbursable (Mileage, lodging, and meals)

- Members are only entitled to the funds named in this briefing if a mandatory evacuation is ordered

- When evacuation order is given, the authorized Safe Haven Locations will be contained in Battlestaff directive
Evacuation Entitlements

- Member’s duty status must be covered
  - On Duty
  - TDY
  - PCS
  - Leave
    - Members on leave (outside of the local area) will remain in leave status

- Entitlements are effective the date evacuation order is given
  - Member/dependent not entitled to reimbursement for early departure

- Entitlements cease on the date evacuation is terminated

- All ordered to evacuate (military dependents/civilian family members) receive:
  - Mileage (Per vehicle) $0.56/mile (a/o 1 Jan 21)
  - Lodging
  - Daily Meal Rate
Lodging

- Reimbursed based on rate at the safe haven location
  - If location is not listed in per diem tables, rate is $96 (FY 21)
  - Actual Expense Allowance (AEA) is not authorized
- Maximum lodging is equal to combined max lodging of all travelers

(Example) Evacuate to Atlanta. Hotel room $240.00/night.
- Member auth. $151.00 max lodging
- Spouse auth. $151.00 Max lodging
- Combined auth. covers cost of hotel (You do not get to keep the difference)
- Hotel tax is a reimbursable expense not included in max lodging rate.
Meal Rate
- Reimbursed based on rate at the safe haven location
  - First and last day of travel, 75% of rate will be paid regardless of time of departure
  - If location is not listed in per diem tables, rate is $50
- Dependents age 12 and over receive 100% of member’s rate
- Dependents under 12 receive 50% of member’s rate

Use of Government Travel Card (GTC) is authorized

Advances available for members who do not have a GTC:
- Orders must state advance is authorized and letter from Commander or First Sergeant required
- Date, time and place of issuance TBD by Battlestaff Directive
Evacuation Entitlements Continued

- **Expenses not reimbursed**
  - Lodging while staying w/friends or relatives
  - Pet-related expenses (boarding, kennels, transport)
  - Home preparation expenses
  - Automobile expenses – FUEL, repair, maintenance, oil, etc. (covered by mileage/incidentals)
  - Actual grocery expenses (covered by per diem)
  - Non-official calls
  - ATM Fees for personal credit/debit cards
  - Local mileage

- **Expenses reimbursed**
  - Lodging not to exceed rate for safe haven area
  - Lodging taxes
  - ATM Fees (GTC only)
  - Official Phone calls (must be approved by approving official)
Post Hurricane

- “All Clear” is not official termination of evacuation
- Members must contact chain of command prior to moving from safe haven
- Installation Commander terminates evacuation
- Units contact their members with RNLT date and time
- Dates, times and locations for group-processing of travel vouchers will be set up and announced in Battlestaff Directive

Questions for PA?
Operations Security (OPSEC)
What is OPSEC? Protection of critical unclassified information and indicators

In the event of an evacuation, that includes information such as:

- **Names:**
  - **Operational:** Which squadrons or members are evacuating?
  - **Personal:** Who is traveling with you if you evacuate?

- **Dates:**
  - **Operational:** When are the members and aircraft departing?
  - **Personal:** How long will you be away from your home?

- **Times:**
  - **Operational:** How long will the members and aircraft be away from Hurlburt Field?
  - **Personal:** When do you plan to leave and return?

- **Locations:**
  - **Operational:** Where are the aircraft going?
  - **Personal:** Where will you be staying in the event of an evacuation?

- **Other:**
  - **Operational:** How many members and aircraft are leaving?
  - **Personal:** Location and amount of supplies stored in your home

Be cognizant of potential negative impacts if in the wrong hands.
How can you protect yourself?

- Watch what you and your family post on social media
  - 80% of information can be found online
  - Adversaries monitor open source & personal profiles for information

- Countermeasures
  - Adjust privacy settings
  - Limit friends to people you know personally
  - Use strong passwords
  - Do NOT post mission details

- Most importantly, share this information and educate spouses, children, significant others, etc!
Why is OPSEC Important?

Examples of Critical Information
- Number of personnel and families leaving the area
- Location/status of assets
- Timing of assets moving back into the area

Why Protect Critical Information?
- Pieces of information could reveal classified information
- Could lead to loss of life and/or assets
- Could have impact on mission success

Protecting Critical Information = Protecting Life, Mission, & Assets
OPSEC Summary

- **DO:**
  - Brief Family Members
  - Keep mission details to yourself

- **NEED TO KNOW ONLY!**

- **DO NOT:**
  - Discuss what assets or personnel are staying behind
  - Transmit Personally Identifiable Information (PII) unencrypted
  - Share images or details of aircraft or loved ones being evacuated

Any Time…Any Place
Q: Who will notify the residents if Hurlburt has a mandatory evacuation?
A: Residents will be notified through Hurlburt Leadership.

Q: Do I need to purchase Renters Insurance?
A: Absolutely! Renters Insurance is an extremely valuable asset to have. Corvias has insurance coverage for the homes themselves but does not cover the content inside the home. We recommend calling different companies to compare rates. Please be advised that once an imminent threat has been issued for your area, insurance companies can no longer update or issue insurance policies. This goes for renters, auto and homeowners insurance.
Q: Where can I put my pets if I can’t take them with me?
A: If you are unable to take your pet(s) with you during an evacuation, do not leave them at home, but rather find a safe place for them such as a boarding facility or vet clinic. Many hotels in the area will accept pets during special circumstances. We suggest calling around and making a list for future reference. Check out www.petswelcome.com.

Q: Will I still be paying BAH if my home becomes uninhabitable?
A: No. If your home becomes uninhabitable, we will not receive BAH.
Q: What are steps I need to take to protect my belongings?
A: All outside items should be secured so they do not fly around. We recommend all large items such as trampolines, picnic tables, etc. be turned over and secured and smaller items placed in outside storage or inside the home.

Q: My spouse is deployed and I cannot move any belongings myself. What do I do?
A: If unable to properly secure outdoor items, you should work thorough the service members First Sergeant to make arrangements for assistance. While our maintenance team will make themselves available to help to the greatest extent possible, their availability will be limited as they prepare the neighborhood during an actual event.
We are closely tracking the path of the hurricane and at this point meteorologists are uncertain where or if it will make landfall. The installation commander has determined we are now in HURCON4, destructive winds are possible within the next 72 hours.

Now is the time to make sure you have everything that you need.

**PREPARE FOR THE STORM**

- Water
- Non-perishable food
- Non-electric can opener
- First aid kit, medicines and prescriptions
- Toiletries and hygiene items
- Flashlights and batteries
- Battery-operated radio
- Cash (banks and ATMs may not be open)
- Pet care items

We recommend that you fill your car’s tank with fuel and charge your electronic devices.

Please make sure you are following your installation’s website for the most up-to-date information on the hurricane’s path.

**PREPARE YOUR HOME**

- Immediately secure all outdoor items such as trampolines, trash cans, grills, furniture, swings, kiddie pools, basketball goals and toys.
- Bring all pets indoors.
- Remove trampoline safety fencing and flipping all trampolines upside down.
- Raise items in the garage off the floor. With high volumes of wind and rain, garage floors can take on water.

Corvias Property Management pledges to be here for you as the hurricane approaches and through the duration of the storm. Rest assured that we will work to repair any damage and resume normal operations as soon as possible once the storm has passed.

Thank you and be safe,
Corvias Property Management Team
The hurricane has made significant changes and we continue to monitor its projected path. The installation commander has determined we are now in HURCON 3 and destructive winds are possible within the next 48 hours.

Prepare Your Home

- Immediately secure all outdoor items such as trampolines, trash cans, grills, furniture, swings, kiddie pools, basketball goals and toys.
- Remove trampoline safety fencing and flipping all trampolines upside down.
- Bring all pets indoors.
- Raise items in the garage off the floor. With high volumes of wind and rain, garage floors can take on water.
- Charge all electronic devices and fill your car’s tank with fuel.

Prepare for the Storm

- Water
- Non-perishable food
- Non-electric can opener
- First aid kit, medicines and prescriptions
- Toiletries and hygiene items
- Flashlights and batteries
- Battery-operated radio
- Cash (banks and ATMs may not be open)
- Pet care items

The base-wide broadcasting system may be used to make important announcements. For a list of shelters or for more information about the storm, check the installation’s website, local radio and television stations.

Corvias Property Management pledges to be here for you as the hurricane approaches and through the duration of the storm. Rest assured that we will work to repair any damage and resume normal operations as soon as possible once the storm has passed.

Thank you and be safe,
Corvias Property Management Team
The installation commander has determined we are now in HURCON 2. The hurricane is approaching, and destructive winds are anticipated within the next 24 hours. Conditions can change very quickly and it’s imperative that you are prepared for the impending storm.

PLEASE FOLLOW THE BELOW INSTRUCTIONS TO ENSURE YOUR SAFETY:

**PREPARE YOUR HOME**

- Immediately secure all outdoor items such as trampolines, trash cans, grills, furniture, swings, kiddie pools, basketball goals and toys.
- Remove trampoline safety fencing and flipping all trampolines upside down.
- Bring all pets indoors.
- Raise items in the garage off the floor. With high volumes of wind and rain, garage floors can take on water.

**DURING THE STORM, WE ASK THAT YOU ONLY REPORT MAINTENANCE EMERGENCIES.**

An emergency includes sparking electrical lines, overflowing sewers, interior flooding and shattered glass. Power and water outages are not considered a maintenance emergency and frequently occur because of hurricanes and tropical storms.

We recommend gathering a flashlight, batteries, battery-operated radio and other necessary supplies as soon, and as safe, as possible. We recommend that you fill your car’s tank with fuel and charge your electronic devices.

The base-wide broadcasting system may be used to make important announcements. For a list of shelters or for more information about the storm, check the installation’s website, local radio and television stations.

**Corvias Property Management pledges to be here for you as the hurricane approaches and through the duration of the storm. Rest assured that we will work to repair any damage and resume normal operations as soon as possible once the storm has passed.**

Thank you and be safe,
Corvias Property Management Team
HURRICANE PREPAREDNESS

HURCON1
Destructive winds are IMMINENT within 12 hours.

The installation commander has determined we are now in HURCON1. The hurricane is imminent and destructive winds are anticipated within the next 12 hours.

THE CORVIAS COMMUNITY OFFICE IS NOW CLOSED AND WILL REOPEN WHEN IT IS SAFE TO DO SO. If you evacuate or plan on leaving your home, call the office to let us know and please take your pets with you when you leave the installation.

DON'T FORGET

If you have not done so, secure all outdoor items immediately.

Bring all pets indoors.

Have towels ready in the unlikely event water enters your home.

Do not play or drive in the storm water. This is extremely dangerous.

Stay in contact with your chain of command if you have an emergency.

24x7 SUPPORT

If you need to reach a member of the Corvias Property Management team, we will be operating a centralized call center for emergencies. The call center may be reached 24/7 at 850-344-0251. We will respond to maintenance service requests when it is safe for our team to return to the installation.

Please be sure to monitor the installation’s website and the Corvias Facebook page for updates.

Corvias Property Management pledges to be here for you as the hurricane approaches and through the duration of the storm. Rest assured that we will work to repair any damage and resume normal operations as soon as possible once the storm has passed.

Thank you and be safe,
Corvias Property Management Team
Questions for Corvias?
AFPAAS

Air Force Personnel Accountability and Assessment System

(POCs are Sq COR and IPR)
What is AFPAAS?

- The U.S. Air Force Personnel Accountability and Assessment System (AFPAAS) standardizes a method for the Air Force to account, assess, manage, and monitor the recovery process for airmen and their families affected and/or scattered by a widespread catastrophic event.

- The AFPAAS provides valuable information to all levels of the Air Force chain of command, allowing commanders to make strategic decisions which facilitate a return to stability.

- Natural or man-made disaster…
- Catastrophic in nature…
- Potential for widespread injury or death to Airmen and families
If you’re unable to access internet, contact your squadron UCC or AFPC to be accounted for.

Needs Assessment

During real world event, a pop up will appear asking if you need assistance.

--------------------------
NOTE: If assessment isn’t completed, AFPC/DPFFS will not see needs or be able to assist.
Fill in the boxes that apply for you and check all applicable boxes.

<table>
<thead>
<tr>
<th>Not Affected</th>
<th>Not Sure</th>
<th>Need Assistance</th>
</tr>
</thead>
<tbody>
<tr>
<td>☐</td>
<td>☐</td>
<td>☐</td>
</tr>
</tbody>
</table>

**Category 1:**
- MEDICAL: (Do you or your family need medical help?)
  - ☐ Need immediate care from a doctor or hospital
  - ☐ Need medical help or prescription drugs for a chronic illness
  - ☐ Need help making an appointment for routine needs
  - ☐ Need information only

**Category 2:**
- MISSING FAMILY LOCATOR: (Do you need help finding missing family members?)
  - ☐ Need urgent help finding immediate family member(s)
  - ☐ My family has been in contact with me, but I need help finding their location
  - ☐ My family member(s) has/have been in contact with me, but I need help reaching their location
  - ☐ Need information only

**Category 3:**
- TRANSPORTATION TO ONWARD DESTINATION: (Do you or your family need help getting to Safe Haven or Permanent Duty Station (PS)?)
  - ☐ Need evacuation transportation to safe haven, out of the disaster area
  - ☐ Need transportation to safe haven or alternate duty location
  - ☐ Need transportation to return to my duty station
  - ☐ Need information only

**Comments:**

---

Check category (19 to choose from) and the type of assistance needed.
If you’re unable to access internet, contact your squadron UCC or AFPC to be accounted for.

Where is AFPAAS on the Internet?

What if I do not have access to the Internet?

If you are displaced from your home or office, or do not have access to a computer, you can contact someone with Internet access and ask them to use AFPAAS on your behalf. You can also access AFPAAS from any computer available to you. Alternatively, you can request assistance from local authorities and relief agencies. If you don’t have Internet access, call your command representative or one of the telephone numbers below:

Air Force Personnel Readiness Cell
1-800-435-9941
or
1 (210) 565-2020/DSN 665-2020

AFPAAS Help Desk
1-866-946-9183
or
1 (619) 553-8167/DSN 553-8167
Action Items

- Set up login procedures, share with spouse or anyone that will use AFPAAS
- Update your data under “My Info” as soon as possible
- Navigate your way around AFPAAS, become familiar with it
- AFPAAS is a self-accounting and self-reporting tool
  - Complete the assessment questionnaire if you need assistance
- Keep squadron recall rosters/COR contact info on hand - spouse should know where to find this as well
  - List of CORs (Commander Organizational Reps) can be found under “My Info”
- If you’re unable to access https://AFPAAS.af.mil, contact unit COR, UCC or AFPC for accountability and assistance

  - (850) 884-5441 / 5442
- Check the Hurlburt Field, 1 SOW CC, & A&FRC Facebook Pages
- If you have evacuated, return home only when authorities tell you that it is safe
- Be patient. Do not rush. If traveling, expect delays.
- Only enter your home once it has been deemed safe by local/base authorities
- Check for damage
- Begin an inventory on your home
- Let squadron and family members know you are safe
How can the EFAC help you and your family?

- **Emergency Family Assistance Center**
  - When a disaster occurs, the Installation Commander will activate an EFAC to serve as the focal point for victim and family assistance services.
  - IAW DoDI 1342.22 and AFI 36-3009, the EFAC serves as the staging area where families can obtain disaster relief, contingency information, and services.
    - EFAC services may be delivered brick and mortar, virtual, or telephonic

- **The A&FRC will be the focal point for the EFAC**
  - Our primary mission is to integrate services that will address the practical and emotional needs of families affected by the disaster
  - Refer emergency relief supplies and donations (food, clothing, “comfort” items, etc.)
  - EFACs will be staffed, in addition to A&FRC personnel, with representatives from Mental Health, Chapel, Legal, Finance, Public Affairs, Youth Center, and American Red Cross (ARC) as the situation dictates.
