Daily Home Screening Conducted by Parent/Guardian or Caregiver

Does your child have any of the following symptoms?

- Fever > 100.4 F (measured orally)
- Cough (worsening cough in those with chronic cough)
- Shortness of breath or difficulty breathing
- Sore throat
- Headache (moderate or severe)
- Body or muscle aches
- GI symptoms (abdominal pain, diarrhea, vomiting, nausea)
- New loss of taste or smell
- Nasal congestion, runny nose

Have you been told your child has been exposed to a person with COVID-19?

Yes

Stay home. Do not go to school. Follow the directions provided by your healthcare provider or the health department.

No

STEP 1 - Did your child test positive for COVID-19 (PCR or Antigen test) OR is your child awaiting results of a COVID-19 test?

No

Stay at home if awaiting COVID-19 testing results. If your child has COVID-19 based on PCR or Antigen testing, do not go to school until all three of following are met:

1. At least 10 days since symptom onset or, if asymptomatic, 10 days from test collection date, AND
2. At least 24 hours fever free, without fever reducing medication, AND
3. Symptoms improving

Yes

Go to School
