HURRICANE SEASON

1 Jun – 30 Nov

Any Time...Any Place

Overview

- **Tropical Cyclone Frequency**
- **Hurricane Formation**
- **Hurricane Forecasting**
- **Forecast Challenges**
- **Weather Sources**
- **Helpful Links**

Tropical Cyclone Frequency

Historic Tropical Cyclone Frequency

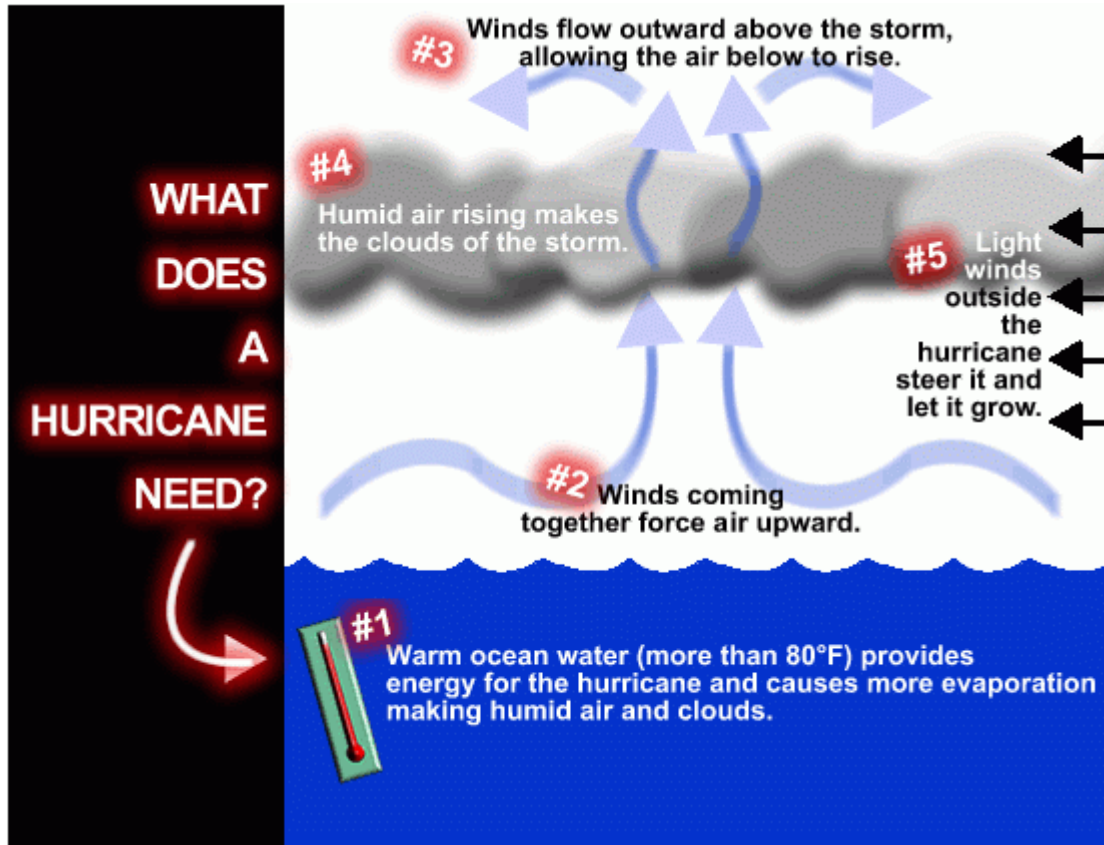

- *Each year, an average of 14 named storms develop over the Atlantic Ocean, Caribbean, and Gulf of America. Of those 14, seven become hurricanes, and of those seven, three intensify to major hurricanes.*
- *On average 5 hurricanes (2 being major hurricanes) strike the United States coastline over a 3-year period.*

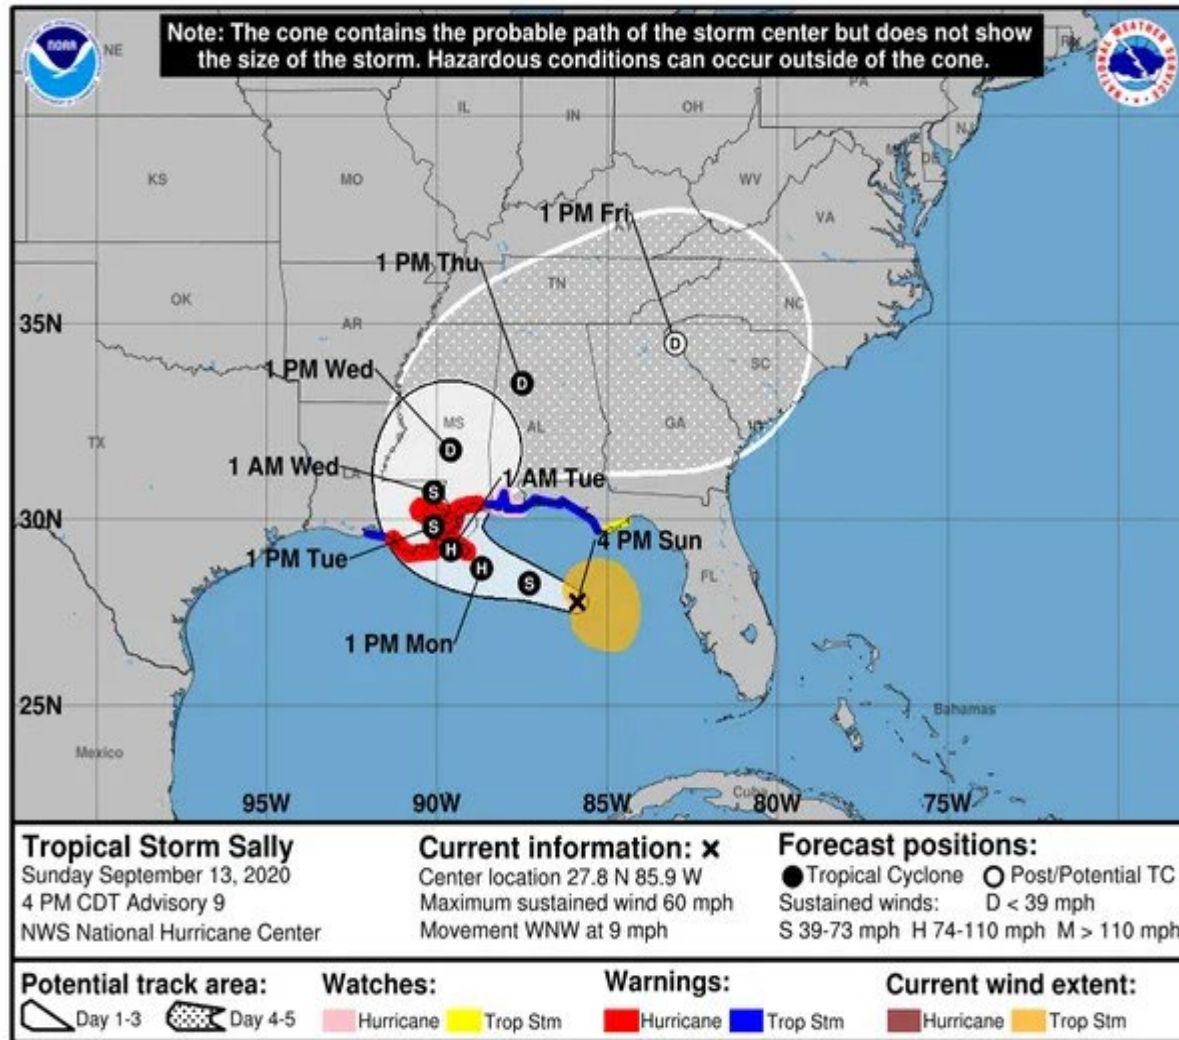

Hurricane Formation

- *Many hurricanes begin as a wave of thunderstorms moving westward across Africa.*
- *Storms are generally 300 miles wide*
- *A typical eye wall ranges from 20-40 miles across.*

Hurricane Forecasting

National Hurricane Center's forecast cone shows possible storm center path.

Rain bands can cause localized heavy rains/flooding as well as tornadic activity.

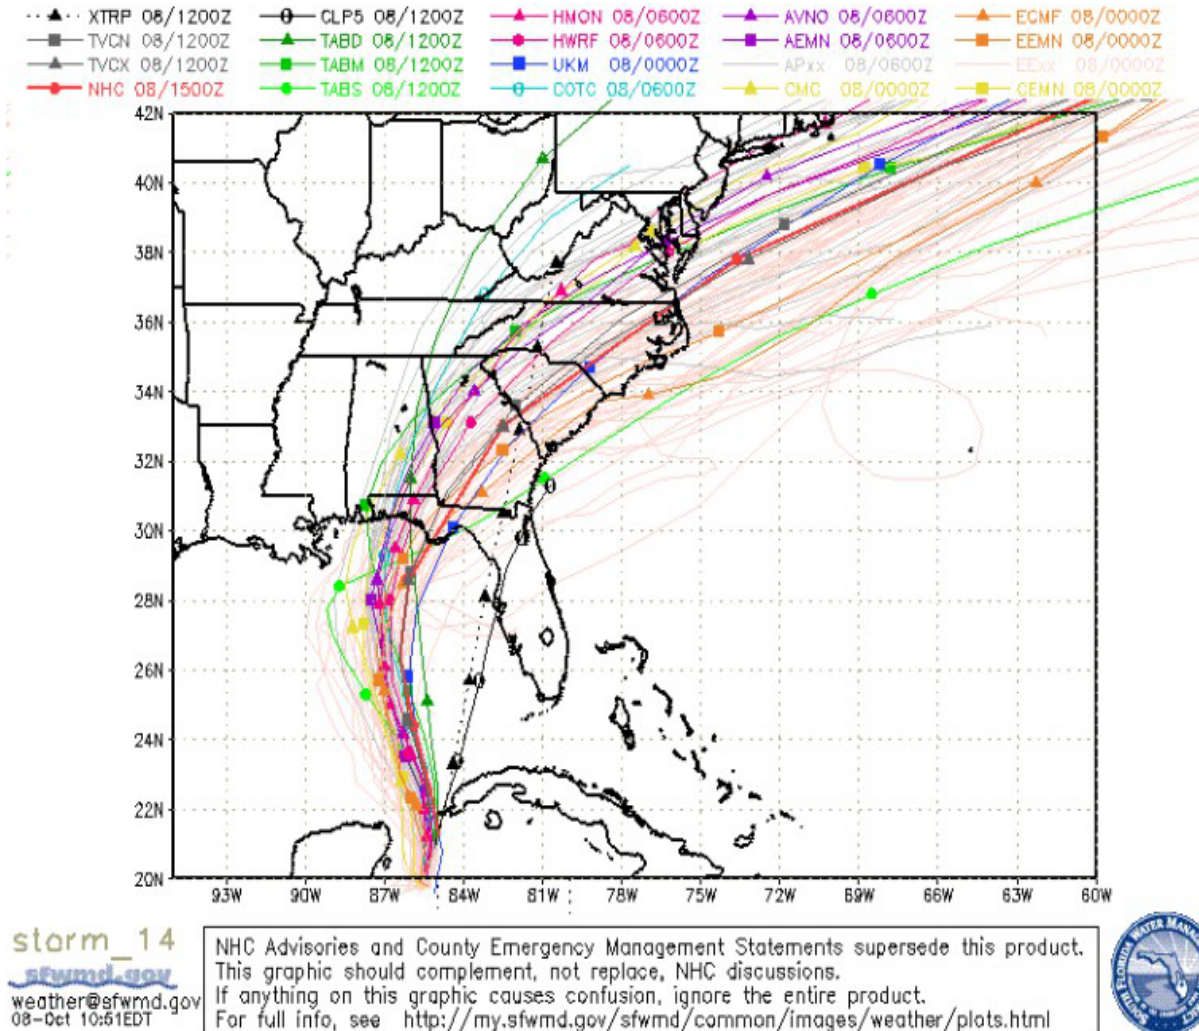

Right side with respect to movement is generally the area of worst weather (storm surge, winds, and tornadoes)

Forecast Challenges

Spaghetti Models

- *These visualize many different computer simulations for each of the various tropical forecast models.*
- *Forecasts will become more precise as the storm matures and nears landfall.*

Weather Sources

- 1 SOSS/OSW will communicate timing and effects for resource protection and Operations at Hurlburt Field.
- Local Weather Stations show impacts to the surrounding areas.
- National Weather Stations show much broader scale forecasts but tend to focus on the areas that are anticipating the worst damage.

Hurricane Categories

Category	Sustained Winds	Types of Damage Due to Hurricane Winds
1	64-82 kt (74-95 mph)	Very dangerous winds will produce some damage: Roof damage, large tree branches snapped, shallow rooted trees toppled, power outages
2	83-95 kt 96-110 mph)	Extremely dangerous winds will cause extensive damage: Roof and siding damage, toppled trees, large near-total power loss is expected for several days to weeks
3 (Major)	96-112 kt (111-129 mph)	Devastating damage will occur: Major damage to homes, trees, and electricity and water may be unavailable for several days to weeks after the storm passes
4 (Major)	113-136 kt (130-156 mph)	Catastrophic damage will occur: Severe damage to homes, power outages will last weeks to months, <i>most of the area will be uninhabitable for weeks or months</i>
5 (Major)	≥ 137kt (≥ 157mph)	Catastrophic damage will occur: High percentage of homes will be destroyed, power outages will last for weeks to possibly months, <i>most of the area will be uninhabitable for weeks or months.</i>

- HURCON 3
48 Hours from onset of 50kt winds
- HURCON 2
24 Hours from onset of 50kt winds
- HURCON 1
12 Hours from onset of 50kt winds
- HURCON 1C
35 to 49kt winds are occurring
- HURCON 1E
50kt winds are occurring, hazards may be present
- HURCON 1R
Storm has passed but hazards may persist. Only emergency responders & damage assessment personnel are released for movement

Storm Terminology

- **Storm Surge:** an abnormal rise of water generated by a storm, over and above the predicted astronomical tides
- **Storm Tide:** the water level rise due to the combination of storm surge and the astronomical tide. This rise in water level can cause extreme flooding in coastal areas particularly when storm surge coincides with normal high tide, resulting in storm tides reaching up to 20 feet or more in some cases

Hazards Associated with Hurricanes

Any Time...Any Place

Individual Military Actions

- Comply with mandatory evacuation orders
 - *Mandatory means mandatory*
 - Adhere to specified radius
 - Notify unit of evacuation location
 - Notify family members if you are appointed to support base efforts during the hurricane
 - Family members may be required to evacuate without you
 - Do not return until recalled
-
- **EVACUATIONS MAY LAST WEEKS TO MONTHS, DEPENDING ON THE EXTENT OF DAMAGE TO THE SURROUNDING AREA**

Family Actions

■ PLAN AHEAD

- Create Family Care Plans – see your First Sergeant for help with family care plans (**mil to mil/single mil members**)
- Have a 72 hour “go-bag” that is ready for evacuation, tailored to your family’s needs
- Sign up for your county’s alert notification system and ‘Know your Zone’

For further information visit the
[Okaloosa County Public Safety website](#) or
call 850-651-7150.

- POV: Keep a full tank of gas in it if an evacuation seems likely
 - Gas stations may be closed during emergencies; unlikely to pump gas during power outages
 - Plan to take one car per family to reduce congestion and delays

Family Actions Cont.

During Evacuation

- Plan for severe traffic congestion; leave early enough
- Know safe haven locations
- Know where you are going and how you are getting there, be alert for road hazards
 - Flooding
 - Road closures
 - Debris
- DO NOT DRIVE INTO FLOODED AREAS
- Follow recommended evacuation routes, do not take short cuts; they may be blocked

After Evacuation

- Check before you travel; *returning home before storm debris is cleared is dangerous*
 - Residents returning should expect and prepare for disruptions to daily activities
 - Consider battery banks for mobile devices in advance of extended power-outages
 - Monitor Fuel before and during transit; check for outages along your route (gas buddy, waze can help)
 - **Do not leave your pets behind**
-

Evacuation and Entitlements Brief for Hurricane Preparedness

1 SOCPTS/FMF

Overview

- **Voluntary Evacuations**
- **Mandatory Evacuations**
- **Mandatory Evacuation Entitlements**
- **Post Evacuation**

Evacuation Types

- **Any order to evacuate will come from the 1 SOW / CC**

- **Voluntary Evacuation**
 - Non-Mission Critical Personnel are released
 - Liberal Leave Authorized for civilians
 - No reimbursement authorized

- **Recommended Evacuation**
 - Non-Mission Critical Personnel are released
 - Administrative leave for civilians (Non-Chargeable)
 - No reimbursement authorized

Mandatory Evacuations

- **Military and Civilian personnel are ONLY entitled to entitlements in this briefing IF a Mandatory Evacuation is ordered by the 1 SOW CC.**
- Military Personnel will remain in the same duty status during an Evacuation as they were beforehand (On Duty, TDY, PCS, Leave)
 - Personnel on leave outside the local area will remain in leave status
- Non-Mission Critical personnel will be placed on administrative leave (DOD Civilian/NAF)
- Military and Civilian personnel's dependents are authorized to evacuate
- When evacuation order is given, the authorized range of where a safe haven can be established will be in CAT Directives.

Evacuation Entitlements

- Entitlements can begin the date evacuation orders are given.
- No early evacuations are reimbursable for members or dependents
- All Entitlements end the date evacuation orders are terminated
 - Also terminated if a member PCSs
 - Extensions for entitlements must be authorized by the **Per Diem, Travel and Transportation Allowance Committee (PDTATAC)**
- **Use of Government Travel Card (GTC) is Authorized**
- **Advances are available only for members without a GTC**
 - Orders must state advances are authorized and be accompanied with an authorization letter from the Commander or First Sergeant
 - Date time and place of advance issuance TBD by CAT Directive

Evacuation Entitlements (Continued)

■ **Mileage**

- **Payable at a rate of \$.70 per mile per vehicle as of 1 Jan 2025.**
- Multiple POVs are authorized, 1 per licensed driver in the family.

■ **Meals and Incidental Expenses (M&IE)**

- Reimbursed based on rate at the safe haven location
- **75% of rate will be paid on first and last date of travel** regardless of departure time.
- If location is not listed in per diem tables, **standard rate will be \$68 for FY25**
- Dependents age 12 and over receive 100% of member's rate
- Dependents under 12 receive 50% of member's rate

Evacuation Entitlements (Continued)

■ **Lodging**

- Reimbursement is based on rate at the safe haven location
- If expense is not listed in per diem tables, **Standard Rate is \$110 for FY25**
- Actual Expense Allowance (AEA) is not authorized
- Maximum lodging is equal to combined max lodging of all travelers
- Hotel tax is a reimbursable expense in addition to max lodging rate.

■ **Example**

- Member and spouse evacuate to Atlanta, GA. Hotel room is \$240 per night.
 - Member gets 100% of entitlement (\$166), plus dependent over 12 gets 100%
 - Max reimbursement is \$332, which covers the \$240 per night charge. You do not get to keep any difference in your reimbursement.

Evacuation Entitlements (Continued)

Expenses Reimbursed

- Lodging not to exceed rate for safe haven area
- Lodging taxes
- ATM Fees (GTC only)
- Official Phone Calls (must be approved by approving official)

Expenses NOT Reimbursed

- Lodging while staying with friends or relatives
- Pet related expenses (boarding, kennels, transport)
- Home preparation expenses
- Automobile expenses (fuel, repair, maintenance, etc) (covered by M&IE)
- Grocery expenses (Covered by per diem)
- Non-Official Calls
- ATM fees for personal use
- Local Mileage

Post Evacuation

- **“ALL CLEAR” is not official termination of evacuation**
- Members must contact chain of command prior to leaving safe haven

- **The 1 SOW CC will terminate evacuation**
- Units need to contact their members with RNLT date and time
- Dates, times, and locations for group processing of travel vouchers will be set up and announced in CAT Directive

- All Unaccompanied airmen will file their vouchers in DTS

- All Civilians and members with dependents will file their vouchers on paper with finance.

Helpful Links

- Defense Travel Management Office (DTMO) will have the list of per diem and mileage rates. This should be your first stop in calculating your entitlements:

Q&A – Residents Residing in Hurlburt Housing

Q: Who will notify the residents if Hurlburt has a mandatory evacuation?

A: Residents will be notified through Hurlburt Leadership. Additionally, Mayroad partners with the MHO, MSG, CE and Wing Leadership to ensure all pertinent emergency information is shared with residents.

Q: Do I need to purchase Renters Insurance?

A: At this time, it is not mandatory, but this will change in the near future! Mayroad highly encourages residents to carry renters' insurance. Mayroad has insurance coverage for the homes themselves but does not cover the content inside the home. Please be advised that once an imminent threat, or named storm is declared in your area, insurance companies can no longer update or issue insurance policies. This goes for renters, auto and homeowners' insurance.

Q&A – Residents Residing in Hurlburt Housing Continued

Q: Where can I put my pets if I can't take them with me?

A: You must take your pets with you! Many hotels in the area will accept pets during special circumstances. We suggest calling around and making a list for future reference. Check out www.petswelcome.com.

Q: Will I still be paying BAH if my home becomes uninhabitable?

A: No. If your home becomes uninhabitable, we will not receive BAH.

Q&A – Residents Residing in Hurlburt Housing Continued

Q: What are steps I need to take to protect my belongings?

A: All outside items should be put away and secured. We recommend all large items such as trampolines, picnic tables, etc. be turned over and secured and smaller items placed in outside storage or inside the home.

Q: My spouse is deployed, and I cannot move any belongings myself. What do I do?

A: If unable to properly secure outdoor items, you should work thorough the service member's First Sergeant. Our maintenance team tries to help where they can, but their first priority is to complete the safety checklists established to prepare our community for the actual event/storm.

Preparing for the Storm

MAYROAD

Storm Preparedness

High Winds and Heavy Rainfall Expected

PREPARE FOR THE STORM

- Water
- Non-perishable food
- Non-electric can opener
- First aid kit, medicines and prescription
- Toiletries and hygiene items
- Flashlights and batteries
- Cash (banks and ATMs may not be open)
- Pet care items

We recommend that you fill your car's tank with fuel and charge your electronic devices

PREPARE YOUR HOME

Immediately secure all outdoor items such as trampolines, trash cans, grills, furniture, basketball hoops and toys.

Remove trampoline safety fencing and flip trampoline upside down and secure.

Bring all pets indoors!

Raise items in the garage off the floor. With high volumes of wind and rain, garage floors can take on water.

Mayroad pledges to be here for you as the storm approaches and through the duration of the storm. Rest assured we will work to repair any damage and resume normal operations as soon as possible once the storm has passed.

*Thank you and be safe,

MAYROAD

Hurricane Preparedness

HURLBURT FIELD

HURCON 1

DESTRUCTIVE WINDS ARE IMMINENT WITHIN 12 HOURS

The installation commander has determined we are in HURCON 1. The hurricane is imminent and destructive winds are anticipated within the next 12 hours.

THE MAYROAD COMMUNITY OFFICE IS NOW CLOSED AND WILL REOPEN WHEN IT IS SAFE TO DO SO. If you evacuate or plan on leaving your home, call the office to let us know and please take your pets with you when you leave the installation.

DON'T FORGET!

Secure all outdoor items immediately

Bring all pets indoors

DO NOT drive or play in storm water. This is extremely dangerous

Have towels ready in the unlikely event water enters your home

STAY IN CONTACT WITH YOUR CHAIN OF COMMAND IF YOU HAVE AN EMERGENCY.

If you need to reach a member of the Mayroad team we will be operating a centralized call center for emergencies. THE CALL CENTER MAY BE REACHED 24/7 AT 850-613-5050. We will respond to maintenance service requests when it is safe for our team to return to the installation.

Please be sure to monitor the installation's website and the Mayroad Facebook page for updates. Mayroad pledges to be here for you as the hurricane approaches and through the duration of the storm. Rest assured that we will work to repair any damage and resume normal operations as soon as possible once the storm has passed.

HURCON 2

DESTRUCTIVE WINDS ARE ANTICIPATED WITHIN 24 HOURS

The installation commander has determined we are now in HURCON 2. The hurricane is approaching, and destructive winds are anticipated within the next 24 hours. Conditions can change very quickly and it's imperative that you are prepared for the impending storm.

PLEASE FOLLOW THE BELOW INSTRUCTIONS TO ENSURE YOUR SAFETY

PREPARE YOUR HOME

Bring all pets indoors

Immediately secure all outdoor items such as trampolines, trash cans, grills, furniture, swings, kiddie pools, basketball goals and toys.

Raise items in the garage off the floor.

Remove trampoline safety fencing and flip all trampolines upside down

Children and pets should not play in any accumulating water, especially near storm drains. Do not attempt to drive or walk to the Mayroad Community Office during the storm.

If you need to reach a member of the Mayroad team, we will be operating a centralized call center for emergencies. The call center may be reached at 850-613-5050.

DURING THE STORM, WE ASK THAT YOU ONLY REPORT MAINTENANCE EMERGENCIES.
An emergency includes sparking electrical lines, overflowing sewers, interior flooding and shattered glass. Power and water outages are not considered a maintenance emergency and frequently occur because of hurricanes and tropical storms.

We recommend gathering a flashlight, batteries, battery-operated radio and other necessary supplies as soon, and as safe, as possible. We recommend that you fill your car's tank with fuel and charge your electronic devices.

The base-wide broadcasting system may be used to make important announcements. For a list of shelters or for more information about the storm, check the installation's website, local radio and television stations.

Mayroad pledges to be here for you as the hurricane approaches and through the duration of the storm. Rest assured that we will work to repair any damage and resume normal operations as soon as possible once the storm has passed.

HURCON 5

HURRICANE SEASON

DESTRUCTIVE WINDS ARE POSSIBLE WITHIN 96 HOURS

Dear Resident,

Please be advised that we are currently in hurricane season which runs June 1 through November 30. In advance of any specific threats, we want to make you aware of how we will support your safety and what you can do now to prepare for any future storms. The installation commander has determined we are now in HURCON5, destructive winds are possible within the next 96 hours. Mayroad continues to collaborate with our military partners to provide the best possible service to our residents and keep them informed. We will work with the Installation Commander to keep you notified about any hurricane risks and how the installation will be preparing for inclement weather.

RESIDENTS SHOULD TAKE THESE STEPS

Remove or secure all outdoor items including patio furniture, hanging plants, wind chimes, flags, trampolines, trash cans, grills, kiddie pools, toys, etc.

Ensure windows are properly and securely closed.

Raise items off the floor in your garage, basement and/or storage shed (this will prevent your belongings from being damaged should flooding occur).

Bring all pets indoors.

Refrigerated/frozen items may stay safe for 24 hours without electricity, but only if you keep the refrigerator door closed as much as possible. Learn more about keeping food safe during and after an emergency by visiting www.FoodSafety.gov.

RESIDENTS ARE RESPONSIBLE FOR TAKING THE FOLLOWING STEPS TO PREVENTING PROPERTY DAMAGE AND INJURY DURING A HURRICANE:

- Fully charge all electronic devices including laptops, tablets, and cell phones. Utilize text messaging to communicate with family and friends to preserve battery life.
- Fill your car with gas in the event that you are required to evacuate.
- Prepare a plan for notifying family and friends about where you will be during the storm and make sure to have their contact information available in case you cannot access it on your phone or computer.
- Storm water can be very dangerous. Do not walk through or play in flood waters and use extreme caution when driving during and after storms—turn around, don't drown!

HELPFUL ITEMS TO HAVE ON HAND IN YOUR HOME:

- Battery-operated radio
- Toiletries and hygiene items
- Flashlights and batteries
- Towels
- Health and ID credentials (insurance cards, driver's license)
- Prescriptions, medications, first aid kit
- Cash (banks and ATMs may not be open)
- Pet care items
- Bottled water (have enough water available for all family members and pets for three days)
- Non-perishable food (and a manual can opener)

What is AFPAAAS?

The U.S. Air Force Personnel Accountability and Assessment System (AFPAAAS) standardizes a method for the Air Force to account, assess, manage, and monitor the recovery process for airmen and their families affected and/or scattered by a wide-spread catastrophic event.

The AFPAAAS allows commanders to make strategic decisions which facilitate a return to stability.

- **Natural or man-made disaster**

What is AFPAAS?

Air Force Personnel Accountability and Assessment System (AFPAAS) standardizes a method for the Air Force to account, assess, manage, and monitor the recovery and reconstitution process for personnel and their families affected and/or scattered by a wide-spread catastrophic event. AFPAAS provides valuable information to all levels of the Air Force chain of command, allowing commanders to make strategic decisions which facilitate a return to stability.

AFPAAS allows Air Force Personnel to do the following:

- ☆ Report Accounting Status
- ☆ Update Contact
- ☆ Location Information
- ☆ Complete Needs Assessment
- ☆ View Reference Information

Event / Exercise / Announcements

***** ANNOUNCEMENT *****

The AF Crisis Action Team(AFCAT), on behalf of the AF/A3 directs all Air and Space Force units to terminate accountability efforts for RW21 Winter Storm in the Air Force Personnel Accountability and Assessment System (AFPAAS).

Unit Commanders and Directors are to continue to use normal command channels to account for their personnel. Airmen, Guardians, and families impacted by Winter Storm Uri are to contact their installation Airman and Family Readiness Center for information on agencies and resources for assistance.

The U.S. Air Force Personnel Accountability and Assessment System (AFPAAS) standardizes a method for the Air Force to account, assess, manage, and monitor the recovery process for airmen and their families affected and/or scattered by a wide-spread catastrophic event. The AFPAAS provides valuable information to all levels of the Air Force chain of command, allowing commanders to make strategic decisions which facilitate a return to stability.

AFPAAS allows Air Force Personnel to do the following:

- ★ Account for Personnel
- ★ Search for Personnel
- ★ View/Edit Contact Location Info
- ★ Real Time & Over Time Reporting

What's New in AFPAAS

***** NEW Password Requirement *****

- New Password Requirements -

To maintain security compliance, AFPAAS has implemented new password parameters to ensure data safety.

Newly updated passwords must now meet the following complexity requirements:

- Must be a minimum of 15 characters
- Must also contain at least one of the following:
 - Uppercase Letter
 - Lowercase Letter
 - Special Character
 - Number

Personnel Readiness Center: 1-800-435-9941, 210-565-3304/DSN 665-2020

DATA REQUIRED BY THE PRIVACY ACT OF 1974

AUTHORITY: 10 USC 136, Under Secretary of Defense for Personnel and Readiness; 10 USC 3013, Secretary of the Army; 10 USC 5013, Secretary of the Navy; 10 USC 8013, Secretary of the Air Force; DoD Instruction 3001.02, Personnel Accountability in Conjunction with Natural or Manmade Disasters; Air Force Instruction 10-218, Personnel Accountability in conjunction with Natural Disasters or National Emergencies; Army Regulation 500-3, US Army Continuity of Operations Program Policy and Planning.

PRINCIPAL PURPOSE: To accomplish personnel accountability for DoD affiliated personnel in a natural or manmade disaster or when directed by the Secretary of Defense. This system will document the individuals check-in data. The Military Departments may also collect information about Service members and their dependents for needs assessment as a result of the natural or manmade disaster. The DoD Components may also use accountability data for accountability and assessment reporting exercises.

ROUTINE USES: In addition to those disclosures generally permitted under 5 USC 552a(b) of the Privacy Act of 1974, these records may specifically be disclosed outside DoD as a routine use pursuant to 5 USC 552a(b)(3) as follows:

To Federal, state, or local governments during actual emergencies, exercises or continuity of operations tests for the purpose of responding to emergency situations or to allow emergency service personnel to locate the individual(s).

To Federal Emergency Management Agency to facilitate recovery efforts when natural or manmade disasters occur.

The DoD Blanket Routine Uses also apply to this system of records.

DISCLOSURE: Voluntary; however, failure to provide identifying information may impede processing of this application.

TRICARE Disaster Assistance

- If you need immediate medical assistance: call 911 or go to your nearest emergency room.
- In the event of a **disaster alert**, TRICARE will let you know if a **referral waiver** has been issued.
- It is highly recommended that beneficiaries sign up for **email or text alerts** from TRICARE. Subscribe here:
<https://public.govdelivery.com/accounts/USMHSTMA/subscriber/new>
- We recommend bookmarking the TRICARE Newsroom webpage. TRICARE provides recurring updates on this page as disasters unfold.
www.newsroom.tricare.mil/Disaster
- The TRICARE Newsroom contains instructions and information on care before, during, and after a disaster.
- TRICARE may authorize referral waivers in certain areas under a state of emergency. This means you may not need a referral to get care, and permission for early prescription refills during the referral waiver period.
- You are permitted to get care anytime during a crisis, but you *may not be able* to visit your regular doctor.
- During a declared state of emergency, keep all receipts and file any medical claims with TRICARE as soon as possible.
- For non-emergency medical assistance, the **MHS Nurse Advice Line** is available 24/7 by phone, web chat, or video call.
 - **1-800-874-2273, Option 1**
 - Can assist in finding urgent care or emergency room facilities
 - Provide recommendations for the most appropriate level of care
- For emergency medication refills during a declared disaster, contact Express Scripts at **1-877-363-1303**

Recovery After the Storm

- **Stay informed. Call the M&FRC for immediate help:**
 - **(850) 884-5441 / 5442**
- **Check the Hurlburt Field & M&FRC Facebook Pages**
- **If you have evacuated, return home only when authorities tell you it is safe**
- **Be patient. Do not rush. If traveling, expect delays.**
- **Only enter your home once it has been deemed safe by local/base authorities**
- **Check for damage**
- **Begin an inventory on your home**
- **Let squadron and family members know you are safe**

How can the EFAC help you and your family?

■ **Emergency Family Assistance Center**

- When a disaster occurs, the Installation Commander will activate an EFAC to serve as the focal point for victim and family assistance services.
- IAW DoDI 1342.22 and DAFI 36-3009, the EFAC serves as the staging area where families can obtain disaster relief, contingency information, and services.
 - EFAC services may be delivered in-person, virtual, or telephonic

■ **The M&FRC will be the focal point for the EFAC**

- Our primary mission is to integrate services that will address the practical and emotional needs of families affected by the disaster
- Refer emergency relief supplies and donations (food, clothing, “comfort” items, etc.)
- EFACs will be staffed, in addition to M&FRC personnel, with representatives from Mental Health, Chapel, Legal, Finance, Public Affairs, Youth Center, and American Red Cross (ARC) as the situation dictates.
