A NEW WAY TO RECEIVE RETIREE INFORMATION!

We imagine you will agree, life as we know it is evolving rapidly. The Retiree Activities Office (RAO) pondered how to best serve our retirees in the coming year and decided doing something to improve information flow between Hurlburt Field and our valued retirees would be a game changer. We are happy to announce we were able to partner with 1 Special Operations Force Support Squadron (1 SOFSS) to develop a Retiree Corner on the myhurlburt.com website.

Launched 1 Oct, the Retiree Corner is your go to resource for information about base operations and events which may pertain to and/or interest you. You will also find links to our office where you can contact us directly and obtain information you are unable to find on the page.

The most important feature we want to call your attention to is the email "Opt In". By entering your email address, first and last name and service connection you will connect on an all new level. This connection will enable the RAO and 1 SOFSS to communicate with you via email when important notices, Special Events and periodic closures occur which may impact you. In addition it will ensure you continue to receive the annual RAO Newsletter (the one you are reading now) and never miss out on valuable information like medical updates, retiree appreciation events, facility closures and specials, ID card information and more!

We will send weekly updates as needed, and interim updates in emergency instances.

Along with the Retiree Corner featured on myhurlburt.com, 1 SOFSS commanded by Lt. Col. Olivia S. Moss will continue to provide the Retiree Connection feature in the My Hurlburt Life Magazine. 1 SOFSS is dedicated to supporting the entire Hurlburt Community and appreciates the commitment and service of both our past and current military, civilian employees and family members. You can find the magazine on the website or pick up a hard copy at most 1 SOFSS facilities as well as the BX, Commissary, Clinic and Shoppette.

Be sure to go to myhurlburt.com and click on the Retiree Corner and sign up to receive email alerts so you do not miss any vital information. We thank you for your service and look forward to meeting you at the upcoming Retiree Appreciation Days 28-30 October!

COMMISSARY CORNER

Well it certainly isn't how we thought 2020 would go. Our lives have completely changed over the past couple months. We have had to adapt and change, and grow together. We learned new skills and remembered old ones. We came together as a nation and as a community. Our Armed Forces were especially adaptable to the changing crisis and we pulled through with great integrity. While we may not ever get back to complete normal, I doubt anyone remembers what that was like. That goes for the commissary, as well.

Waking up to a new commissary doesn't mean we still aren't your commissary. Even though our employees are now required to wear masks, we are still giving away those gentle smiles that say "hello and welcome." Even though we now have to operate behind a shield of plastic to protect both of us, we still see you. Even though we limited the purchase amount of eggs, meat and other products, we still serve all of our eligible patrons. Even though we restrict the number of personnel in the store, we continue to open our arms and our hearts to you. The motto of "It's Worth the Trip" truly came to shine these last couple of months.

As always, we continue to serve the military community and deliver the benefit. It is likely we will see more changes to your commissary in the future. We will adapt and overcome again to meet any new challenges in the way of completing the mission. Your commissary remains yours and the employees are just as human as they ever were. There is no doubt the last few months have changed the way we deliver the benefit for the better. These last few months are a reminder that we are all in this together.

Your Hurlburt Field Commissary Store Director, Kim Jackson and her staff would like to thank all retirees and their families for their service and welcome you to come shop your commissary. It's your benefit and we are here to serve you!

Due to the Corona Virus Pandemic, your Hurlburt Field commissary will not be holding our annual sidewalk (previously known as Case Lot) Sales. We will, however, have some great deals in the store and our industry partners will be raffling many \$25 gift cards for you to win during the "Retiree Appreciation Days" so it will definitely be worth your trip!! And to ensure your safety and ours, while you are shopping, it's important to know that we are checking ID's, not allowing visitors, and all employees and customers are required to wear face masks while working or shopping. Plexiglas barriers have been installed between cashiers and customers, and the store is sanitized throughout the day each day.

Your Meat department is well stocked with fresh beef and pork and is cut daily by professional meat cutters. Paul Gantt is your meat department manager and he can help with any questions you may have. He and his staff are all very friendly and helpful, and they look forward to helping you with cooking tips, ideas, and special cuts.

The produce department is always well stocked with fresh fruits and veggies for all your snacking and cooking needs. We stock your everyday produce, plus seasonal and organic items. Since it is fall, we will stock up on pumpkins, squash, collard greens, turnip greens, and many others to make your fall season special. Your Produce department manager is Yolanda Larson. She and her crew are the ones who build the beautiful displays in produce and keep the freshness abundant!

We look forward to seeing all our Retiree's for the Retiree Appreciation Day's so come in to your Hurlburt Field Commissary and take advantage of your benefit and the great deals your commissary offers. 🛒

STILL SERVING

The Hurlburt Field Exchange proudly salutes the 53,000 local men and women who have retired from the armed service. In 2018 the Exchange received a full renovation to include expanded food options in the food court. Under one roof, you will now find the Exchange with Popeye's Chicken, Charley's Philly Steak and Subway and Starbucks Coffee. In addition, customers will now find GNC, Patriot Outfitters, Alterations and Cartouche and Coin Shop in the Exchange mall area. Additionally, the Hurlburt Field MCS is now located inside the main Exchange.

For the annual "Still Serving" event, the Exchange will offer the annual sidewalk sale and special offerings throughout the store. The Be Fit area has been a huge success from the renovation with expanded options in athletic footwear and clothing to suit all ages. Never forget to visit our Out Door Living and Garden Shop located in the back corner by the Firearms counter. The Firearms counter has been fully operational for just over a year now. Come check out our fantastic selection of firearms. If we don't have what you want we will do our best to find what you need.

New in 2019 the Hurlburt Field Exchange is now offering our

Buy On Line and Pick Up In Store option for customers to shop at their convenience and pick up at the Exchange. All orders processed by 1400 will be ready for same day pick up.

Retirees from all branches of service have the privilege to shop in store and on line at <https://www.shopmyexchange.com/> for an expanded selection of what might not be available in all Exchange locations. On 10 November 2017, the Exchange expanded our online shopping privilege to all Veterans. To register as a Vet go to <https://www.vetverify.org>. We are happy to welcome home all who have served with our new Veterans On Line Shopping Benefit. Serving those who have served is an honor and privilege at the Exchange.

In January of 2020 VETERANS PATRONAGE EXPANSION is the Exchanges newest broadening of privileges facilitated by DOD in the more than 65 years. The below individuals are now authorized full shopping privileges.

The following veterans and caregivers will be extended Exchange shopping privileges in January:

- Purple Heart recipients
- Former Prisoners of War (POWs)
- Those with a VA certified rating due to service-connected disabilities
- Caregivers of enrolled veterans will also be eligible to make purchases on their behalf

UPCOMING TRICARE CHANGES FOR SOME TRICARE SELECT RETIRED BENEFICIARIES

Starting Jan. 1, 2021, retirees whose initial enlistment or appointment occurred before January 1, 2018, must pay a new monthly TRICARE Select enrollment fee to maintain TRICARE Select coverage for themselves and family members. Active duty family members enrolled in TRICARE Select will experience no change, and won't pay enrollment fees.

The TRICARE Select enrollment fee and other changes were mandated by Congress in the National Defense Authorization Act for Fiscal Year October 1 2016 - September 30 2017. Congress granted the Defense Health Agency a delay in implementation to calendar year 2021. A sample of the new changes are as follows:

- For an individual TRICARE Select plan, the cost is \$12.50 per month or \$150 annually.
- For a TRICARE Select family plan, the cost is \$25.00 per month or \$300 annually.
- The catastrophic cap will increase from \$3,000 to \$3,500.
- The TRICARE Select enrollment fees will apply towards your catastrophic cap.
- The enrollment fee will be waived, if you're are a medically retired retiree or family member.

If eligible beneficiaries do not take action, on 1 Jan 2021 they will be automatically disenrolled from TRICARE Select for

failure to pay enrollment fees and will only be able to get care from a military hospital or clinic if space is available. Once disenrolled, eligible beneficiaries will have 90 days from the last paid through date to request reinstatement. All requests for reinstatement may only be coordinated through Humana Military by calling 1-800-444-5445.

As a reminder, the TRICARE Open Season is the annual period when you can enroll in or change your health plan for the next year. The 2020 TRICARE Open Season begins November 9 and ends December 14, 2020. Please remember, before the TRICARE Open Season ends, 14 Dec 2020, you'll need to set up a monthly TRICARE Select enrollment fee premium payment. If you:

- Get your retirement or other pay from a military pay center, then you'll pay your TRICARE Select fees via a monthly allotment, where feasible.
- If you don't get your retired pay through a military pay center, then you'll pay your fees by a recurring credit or debit card transaction. You can also pay your monthly fees through electronic funds transfer (EFT). Your EFT must be from a U.S. bank.

TRICARE for Life, TRICARE Prime, or a Premium-Based Plan beneficiaries are not affected. If you would like to further check your TRICARE plan costs, please visit www.tricare.mil/costs, and for more information on TRICARE for Life, please visit www.tricare.mil/tfl.

INFLUENZA: THE QUICK FACTS

The flu is a contagious respiratory illness caused by influenza viruses that infect the nose, throat, and lungs. It can cause mild to severe illness, and at times can lead to death. The best way to prevent

the flu is by getting a flu vaccine each year.

Signs and symptoms include fever, cough, sore throat, runny or stuffy nose, muscle or body aches, headaches and fatigue.

Certain people are at greater risk for serious complications if they get the flu. This includes elderly people, young children, pregnant women and people with certain health conditions, such as asthma, diabetes, or heart disease.

For our senior population, the seasonal flu can be very serious, even deadly. Ninety percent of flu-related deaths and more

than half of flu-related hospitalizations occur in people age 65 and older. Because of this, the aforementioned population is considered "High Risk."

In order to ensure you have the best protection available against this rapid changing virus, the 1 SOMDG provides influenza immunization to all our beneficiaries. Please do not hesitate to contact us if you start having flu-like symptoms.

Follow these basic steps during this upcoming flu season to mitigate any chance of catching "the flu"

- Get your flu shot
- Practice good hygiene
- Monitor for any signs and symptoms of infection

If you have any questions please contact your local Public Health office (850) 881-1528.

NEWLY LAUNCHED 1 SOMDG WEBSITE IMPROVES PATIENT EXPERIENCE

On 1 Sept, the Defense Health Agency (DHA) launched 74 new websites for Air Force military hospital and clinics, including the 1 SOMDG. This is an important step to modernize the Military Health System on the web. Each website moved to the TRICARE website to give patients a standard web experience. “Standardizing military hospital and clinic websites will help our patients across the Military Health System to access all of the information they need to manage their health care and their TRICARE benefit,” said U.S. Army Lt. Gen. Ronald Place, DHA director. “This change will make it easier for our service members, retirees, and families to find the information they need to navigate and access health care information. As our service members and families move across the country and around the world, having a standard website will be one less thing they will have to learn at their new location.”

All military hospitals and clinic websites will move to the same, new platform. This means you will have the same, high quality web services from wherever you are around the world. Are you planning to move or going through a permanent change of station (PCS)? The standard website layout and features will make your transition easier. You won’t have to learn a new

site after you PCS. Want to check out the new changes? Visit our new website at <https://hurlburt.tricare.mil/>. The new website is modern and user-friendly. It’s designed to make information faster and easier to find. And it includes tools and widgets to help you.

Using your local military hospital or clinic websites will be easier. Key features include:

- Standard look and feel.
- Ease of navigation.
- Up-to-date health care information.
- Local health services.
- Central TRICARE information.
- Easy to find data on quality, patient safety, and access.

As a one-stop-shop, you can easily get from your local military hospital or clinic website to the TRICARE website. You can access health and benefit information and updates at your local level and the national level.

The remaining military hospital and clinic websites will be moved throughout the rest of 2020. To learn more about these moves, visit: TRICARE.mil/MTFtransformation

RETIREE ACTIVITIES OFFICE DIRECTOR'S CORNER

The RAO currently has four volunteers (enlisted, officer and retiree spouse) in the office and we are looking for more volunteers. The office is manned from 9am to Noon, Monday through Friday, except for down days and holidays. Working in the RAO is not that difficult as we mostly direct retirees to the experts in the building. What we really enjoy is helping people.

So if you are interested in volunteering at the RAO please email us at 1SOFSS.RAO@us.af.mil or call 850-884-5443 between 9am and Noon, Monday through Friday, and if no one answers, please leave a message. We are looking for more volunteers, so why not make a difference and join our team.

The RAO has a page in the 1st Special Operations Force Support Squadron's My Hurlburt Life monthly magazine, so pick up the magazine and find out what's happening at Hurlburt Field.

Finally, when you get this newsletter, which is being mailed to more than 16,700 retirees and widows, and you would like to comment on something in the newsletter, please call or email the RAO.
